

## HOUSE PASSES A NEW GENERAL TAXATION LAW

But Greatly Changed From Original Bill—Refuses to Create Office of County Health Officer

Frankfort, Ky., March 10.—Both Houses of the General Assembly are working morning, afternoon and nights this week, which is the last of the 1914 legislative session. Adjournment will finally be had a week from tonight, and the labors of the members will be over.

Action upon a number of important measures was taken by the House and Senate last week. The House passed the next tax bill, but so cut up and amended that its own father wouldn't recognize it. While designed to raise more revenue for the support of the state government, a great many of the members were very fearful that it would operate to raise taxes on the farmers and therefore voted against it. Representative Saffley, of Lincoln, was one of them. Representative Farris, of Boyle, and Smith of Mercer, voted against the bill but Representative Mount, of Garrard, supported it.

Before final vote was had on the bill, the House voted down Representative Saffley's amendment which provided that if the bill passed, before it should take effect, it must be submitted to a vote of the people. The bill would have received much stronger support from many of the members if this amendment had been adopted. Representative Saffley made a strong plea to the members to vote for his amendment, declaring that the legislature should not pass a measure which would affect the whole people of the state so vitally without giving them an opportunity to say whether they wanted it or not.

Because it is claimed that the body of the Greene-Glen Bill, passed by the present General Assembly, and signed by the Governor Saturday, enlarging the powers of the State Fire Insurance Rating Board, does not conform to the title of the measure, grave doubt has arisen in the minds of many here as to the validity of the act. In the enacting clause of the title it is Section 1, etc., and "not to strike out," as has been done, an entirely new section having been drafted for Section 1 of the old law.

The flaw in the measure is said to have been discovered when the House enrolling clerk, Miss Mary Roberts, appealed to Speaker Terrell for aid in enrolling the bill, pointing out to the conflict between the title of the act and the real meat of the measure. The Senate is said to be in blame for the error, it having been made in amending the bill in the upper branch of the General Assembly.

The defeat in the House, by an almost unanimous vote of the bill to enlarge the powers and increase the duties of the State Board of Health was the principal feature, as is concerned, Saturday's session of the Legislature. This bill was designed to create the position of All-Time County Health Officer with a fat salary attached.

Representative J. N. McCormack, of Bowling Green, former secretary of the State Board of Health, spoke nearly an hour in behalf of the measures.

Representative Fraser, of Ballard county, told the opposition. Mr. Fraser spoke to an amendment which he had offered, providing that the Fiscal Courts instead of the State Board of Health appointees should fix the salaries of health officers.

The amendment was adopted by a vote of 44 to 35.

After the adoption of this amendment, Representative Harry J. Meyers moved that the bill, with all amendments be tabled. Dr. McCormack, declaring that the Fraser amendment had ruined the bill, seconded the motion. The motion prevailed, with a few scattering "nays."

The vote on the Fraser amendment was as follows:

Yeas—Avery, Barrall, Boitnott, Burton, Cary, Cecil, Davis, Cox, Douglas, H. C. Duffy, Duncan, Durrant, Evans, Farris, Fraser, Fryer, Hall, Hampton, Harrington, Hillman, Hatcher, Johnson, Jones, Kelley, Lay, Luker, McDowell, Miller, Mobley, Oliver, Humphrey, Radcliffe, Rountree, Saffley, Shawler, Stone, Scott, Telford, James T. Webb, N. B. White, Wills, Roy S. Wilson, Wood.

Nays—Ampler, Barrett, Brown, Coke, Drescher, John C. Duffy, William Duffy, Gum, Hamilton, J. B. Harvey, Hays, Henry, Huff, Klette, Kuh, McCormack, McNally, Mount, Harry Meyers, Zach L. Meyers, Newman, O'Brien, Palmer, Parrigan, Phelps, Perry, Pollin, Pote, Ray, Reid, S. H. Rogers, W. E. Rogers, Sharp, Spain, Tieman.

By a vote of 52 to 29, the House Friday night killed the Workmen's Compensation Bill drafted by the House Committee on Compensation for Industrial Injuries as a substitute for the bills of Representatives William Duffy, of Louisville, and Matt Walton, of Lexington, introduced early in the session. Before that, however, the House voted down a substitute measure offered by Representative Harry Meyers, of Covington, for the committee substitute. The Meyers measure had the backing of organized labor throughout the State and various advocates of that measure voted against the committee substitute, preferring no workmen's compensation legislation to that provided for in the substitute drafted

by the House committee.

The Rules Committee took charge of all legislation in both the House and Senate Friday and from now until the end of the session will have almost absolute power to dictate what measures shall be acted upon and what shall not be considered. Among measures reported by the House Committee on Rules as special orders of business are the following:

H. R. 35, to limit passenger fare to 2 cents a mile; H. R. 282, to give County Board of Education authority to fix time for holding election to vote special tax for consolidated school districts; H. R. 1, empowering trustees of common graded schools to levy school tax not to exceed 50 cents on \$100; H. R. 241, to provide for descent of property of adopted child to adopted parents; H. R. 277, to grant pharmacists' license, without examination, to persons graduated from medical school on or before July 1, 1905; H. R. 278, to grant to persons graduated from medical school on or before July 1, 1905, licenses to practice medicine; H. R. 459, to make white women eligible to office in school elections.

The House concurred in the Senate amendments to the bill of Representative Hampton, of Fulton county, prohibiting the shipment of liquor into a "dry" territory and designed to conform to strengthen the Webb law prohibiting the interstate transportation of liquor in local option territory, and passed it by the vote of 79 to 2. Representatives Fryer, and H. C. Duffy voting "no."

On motion of Representative Reed, of Mason county, his bill authorizing State banks to own stock in Federal Reserve banks, and placing State banks on an equality with national banks, was called from the House Committee on Banks and Banking. The bill of Senator Wallace C. Hall, an exact counterpart of the Reed bill, was then submitted for the latter and was passed by the vote of 86 to 0. It will now go to the Governor.

The first bill submitted by the Rules Committee in the Senate for passage was the bill which has passed the House, creating the State Taxbook Commission, and providing for the uniform adoption of taxbooks. Two amendments were offered, one exempting cities of the fifth class from the provisions of the bill. The other amendment, offered by Senator Hiles, provides that the retail prices shall not exceed the contract prices at which the books are sold in any state, county or school district. Both amendments were voted down and the bill passed by a vote of 26 to 8. Those voting against the bill were Senator Arnett, Clay, Hall, Hildreth, Huffaker, Knight, Montgomery and Robertson.

The next bill taken up for passage permits the State Capitol Commission to sell the old executive mansion and apply the proceeds to pay the debt on the new mansion, which amounts to \$19,000. This sum was expended by the Capitol Commission in finishing the new mansion. The bill was passed by a vote of 25 to 0.

The bill which has passed the House providing for the uniform accounting and inspection of public records was next taken up for consideration.

The uniform accounting bill was passed by a vote of 32 to 0. The bill of Senator Ford, relating to jurisdiction of the Court of Appeals, providing for no right of appeal in civil actions, unless the controversy involves \$500, nor from a decree of divorce or a punishment for contempt, nor from judgment of the County Court except in actions of division of land or allotment of dower, was passed by a vote of 29 to 4.

Senator M. O. Scott's bill to require the fire marshal to regulate the storage of inflammable materials to provide for enforcement of his orders and to require fire drills and teaching of fire prevention in schools, was passed 20 to 0.

The measure of Senator Bosworth, to give consent by the State of Kentucky to the acquisition by the United States of such lands as may be needed for the establishment of a national forest reserve in this state, was passed by a vote of 30 to 1.

The next bill called up was the one offered by Senator Brock, to reduce the appropriation to the Department of Agriculture from \$10,000 to \$5,000 for the encouragement of boys' corn clubs. As a substitute for the bill, Senator Hall offered a bill revising all the appropriations made to State institutions, State offices and commissions. Senators Moody and Frost raised the point that the substitute was not germane to the bill. As the substitute met with so much opposition, it was withdrawn.

The change made in the appropriations, as set out in the substitute of Senator Hall, follows:

Reducing appropriation to the Department of Labor, Agriculture and Statistics from \$23,000 to \$10,000; State Board of Agriculture from \$20,000 to \$10,000; Kentucky Geological Survey from \$27,500 to \$30,000; Kentucky Children's Home Society from \$30,000 to \$25,000; Historical Society from \$5,000 to \$2,500; Library Commission from \$5,000 to \$3,000; clerk hire of the Secretary of State from \$10,000 to \$8,000, and clerk hire for the Department of Education from \$7,350 to \$5,350.

The substitute carried an appropriation of \$5,953.63 to pay an indebtedness (Concluded on page two)

## BOOTLEGGERS LODGED IN JAIL

At Liberty With Several Fines to Work Out—Other News

Yosemite, March 9. Bill Turpin, the notorious bootlegger, who has been a terror in the southern part of this county for a number of years, is in jail at Liberty, and doubtless realizing that the way of the transgressor is hard. He is laying a fine of \$100 imposed in the lower court and fines aggregating over \$300 with jail sentence in each case, were imposed in the circuit court last week, and there are other cases against him. Besides it said that the Federal authorities will take charge of him soon. When he was brought from the jail to the court house on the first day of circuit court he came in smiling and one unaccustomed to his manners of life would not have taken him for the bad man he is. He has given the officers of this and Russell counties no little trouble, but it seems that the end has been reached, and we are trusting that others will profit by the fate of this notorious law-breaker.

Some dozen or more of our people were summoned before the grand jury at Liberty last week, and others were wanted, but they sought tall timber, when Deputy Sheriff Ashley came into town.

Baptist church, at Liberty, that has been without a pastor for some months has secured the services of Rev. R. A. Barnes, and he took charge of the work Sunday. Rev. Barnes is among the ablest of Baptist ministers, and the Liberty church is to be congratulated on securing the services of such an able pastor. Rev. Barnes is at present district evangelist for the South Kentucky Association, and has been working in that capacity for two years.

## Did Not Sell Teachers' Questions

In the Anderson Circuit Court, at Lawrenceburg last week, J. W. Baxter, former superintendent of Anderson county schools, was acquitted of the charge of selling teachers' examination questions. The case has attracted attention all over the State, especially from the fact that State Superintendent of Public Instruction, Harkness Hamlett, has been so vigorous in his prosecution of the case, which is only one of the many that have been going on all over the State for many years.

Detectives hired by Mr. Hamlett worked for weeks to corroborate the evidence furnished by Prof. E. D. Burton, an accomplice, in his confession to them. After the Commonwealth had introduced all their evidence and rested its case, Judge Marshall held a consultation with the attorneys on both sides, at the conclusion of which he ordered that a verdict of "not guilty" be written for the jury to sign. He stated that the jury could not convict the defendant on the evidence of Burton, an accomplice, as there was not sufficient evidence outside of that to connect Baxter with the crime.

## Federal Chemical Company Sued

H. J. Maybrier, of the Highland section, brought suit against the Federal Chemical Co., of Louisville, for damage to the amount of \$150 which he claimed the fertilizer that he had bought from that company had done to his tobacco and corn crop. The evidence tended to show that all the farmers of that section who used that brand of fertilizer that season raised poor crops while the farmers who used other brands of fertilizers or used none at all secured a good yield in all crops. The Fertilizer Co., offered no testimony in defense so the jury found for the plaintiff.

## The Mother's Favorite

A cough medicine for children should be harmless. It should be pleasant to take. It should be effective. Chamberlain's Cough Remedy is all of this and is the mother's favorite everywhere. For sale by all dealers.

## Richmond Man Dies at Corbin

John Kennedy, a traveling salesman, about thirty years old, died at the Manhattan Hotel, at Corbin, Friday morning at 5 o'clock from convulsions. Kennedy was en route from Middlesboro to his home at Richmond when taken ill. Just before reaching Corbin he was taken from the train and removed to the depot, but soon taken to the Manhattan Hotel and physicians called but with no avail. The body was taken to Richmond.

## MRS. ADAM PENCE GOES TO HER RICH REWARD

A Noble Christian Woman Died Monday Morning After a Long Illness

One of the saddest deaths that has occurred in this community in many years, was that on Monday morning at 11 o'clock, of Mrs. Elizabeth Pence, the wife of Adam Pence of this city. Mrs. Pence had been in very poor health for many months and although her death had been expected for several days, yet when her many friends received the message that she had passed to the Great Beyond they were shocked. She was the daughter of Mr. and Mrs. M. Smith Baughman of this city and had many relatives and friends, who are bowed down in grief over the death of this good woman.

About three and a half years ago, she was married to Adam Pence and to this union have been born two little children, Leatrice Margaret and L. T. who are left to mourn the loss of a kind and loving mother. Death is always sad to contemplate, but in such a case as this, doubly so, even though she was fully prepared to go, trusting in her Savior and all was well.

When we consider the beautiful and consistent Christian life, which Mrs. Pence had always lived, we can but say "Death is delightful; death is dawn 'tis the beginning of eternal morning." She was a devout member of the Christian church and was ever ready to do what she could for the work of her Master.

The funeral services were conducted at the home on East Main street this afternoon at 2 o'clock by her pastor, Rev. D. M. Walker and assisted by Rev. C. H. Greer. The canopy of beautiful flowers on the bier testified as a last tribute of love and esteem in which this lovely young woman was held by all who knew her and a large crowd went to Buffalo cemetery, where the mortal remains were laid to await the Resurrection Morn.

The pallbearers were A. L. Pence, E. T. Pence, Jr., James Wright, W. H. Hill, J. H. McAlister, A. B. Florence.

## Wm. Severance in Snowdrifts

Wm. Severance returning from his spring buying trip to New York was unfortunate enough to be on one of the trains that was lost in the snow drifts in New Jersey for twenty-four hours. It was a novel experience, Mr. Severance says, but one is enough for a life time.

## Union Rally at Presbyterian Church

Mr. Charles F. Evans, Secretary of the Christian Endeavor, held a Union Rally at the Presbyterian church on Monday night for the benefit of those who were interested in the Christian Endeavor movement. Mr. Evans has been interested in this work for several years. His talk was very interesting and instructive to those who were interested in this work.

## News of the Churches

## WELL-KNOWN PEOPLE DEAD

Mrs. Andy Hiatt and W. C. Turpin Passed Away—Other News

Brothead, March 9. Mrs. Andy Hiatt, died at her home in the Hiatt section Tuesday. She had been in ill health for some time, her death was daily expected. Her remains were buried in the Oak Hill cemetery Friday afternoon. She leaves her husband, two small children, and a host of relatives and friends to mourn her loss.

Walter C. Turpin, died at his residence on Silver creek Friday at 8 P. M. He had been under treatment of the Dr. Gibson in Richmond for several weeks, having returned home from there last Saturday. He underwent an operation in Richmond about two weeks ago, and it was thought that he was improving until early Friday he was taken seriously ill, and died within a few hours afterward. He is survived by his widow, who was Miss Celia Griffin before her marriage, his parents, Mr. and Mrs. O. W. Turpin, of this place, two sisters, Mrs. J. W. Tate and Mrs. A. E. Albright, and two brothers, Bub Turpin of this county, and Forest Turpin of Texas, all of whom were present except the Texas brother. His parents are aged people and on account of the shock were unable to attend the funeral services, which were held by the Rev. D. Edgar Allen at the Christian church, after which his remains were laid to rest in the Christian church cemetery. We extend to the bereaved ones much sympathy.

Mrs. Will Carlton is very low at the home of her parents, Mr. and Mrs. Wm. Finagle.

Mrs. W. P. Rigby is spending a few days with Mr. and Mrs. J. H. Rigby near Crab Orchard.

J. J. Painter, of Lebanon Junction, was with his mother, Mrs. G. E. Painter, last week.

E. J. Hamm, of New Hope, was with relatives here last week. Mr. and Mrs. Ben Griffin, of the Hiatt section, Mr. and Mrs. George S. Griffin, of near Mt. Vernon, and Mrs. Nels Griffin of Martsburg, attended the funeral of W. C. Turpin here last Saturday.

J. E. Wallin, Special Agent for the Q. & C. was at home last Saturday and Sunday.

G. B. Newland, who has been working in Jellico Plains, Tenn., for the past several months, was called home last Saturday on account of the serious illness of his baby. All his family have measles, and the little one pneumonia. There is little hope for its recovery.

Mrs. Linda Benton shipped her household effects to Sweetwater, Tenn. last week, where she expects to make her home. We are very sorry to see Mrs. Benton and family leave our town.

A small child of Mrs. John Singleton died Saturday and was buried in the Christian church cemetery Sunday afternoon.

Miss Clyde Watson was the guest of her sister, Mrs. F. L. Durham, in Mt. Vernon Saturday and Sunday.

Mrs. A. M. Hiatt attended the funeral of Mrs. Andy Hiatt at Oak Hill Friday afternoon.

Leave your subscriptions, and news items for the Interior Journal at the postoffice.

John Robins was in Mt. Vernon last Thursday on business.

Mrs. L. M. Brown was with relatives in Danville from Saturday until Tuesday.

Rev. D. Edgar Allen filled his regular appointment at the Baptist church Sunday and Sunday.

Tom Woodall was in Richmond twice in the past few days, and in our opinion when he returns from his third visit he will not be alone.

Mr. and Mrs. John Harp moved last week to R. S. Martin's place opposite the new fair grounds.

W. A. Carson's boys have been very sick with measles, but are better at this writing.

Henry Webb moved from town to Preston Overby's farm on Negro Creek.

Mrs. W. P. Rigby was visiting Mrs. Walter Robins at Mt. Vernon last week.

Mr. Allen Hiatt of the Quail section attended the funeral of Mrs. Andy Hiatt at Oak Hill Friday.

Mrs. Linda Benton and son, John were in Mt. Vernon Friday.

Earl Tharp is telegraphing at Corbin for a few days.

## Loses Another Horse

Dr. Hugh Reid, out on the Danville Pike, who lost five head of stock last week, lost a very nice mare Saturday, valued at \$250. The State Veterinarian, who came here to investigate the cause, could not fully determine the cause, but thought probably it was caused from eating corn fodder.

## Chronic Stomach Trouble Cured

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I feel perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.

## The Forty Year Test

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is favorite after a period of more than forty years. It not only gives relief—it cures. For sale by all dealers.

## VOLUNTARY REDUCES FARE

L. & N. Announces New Fare of Two And a Half Cents a Mile

The Louisville & Nashville Railroad Company, last week announced its intention to reduce, in the immediate future, (not later than May 1, 1914) passenger fares on its lines in the State of Kentucky to a maximum of 2 1/2 cents per mile. This action on the part of Kentucky's principal rail carrier is voluntary, and is taken in order to equalize the rates in its home state with the rates effective or to be made effective on or before the date mentioned in the States of Tennessee and Alabama.

This company states that it adheres to its belief that a 3 cent rate fare is not wholly remunerative and is not unfair to the public. Nevertheless, in difference to public opinion, particularly in other states, the management has decided to apply the lower rate in the hope that increased volume of traffic will save material losses, and pursuant to promises heretofore given the people of Kentucky it proposes to place Kentucky on the same basis as other States. Should the reduction prove disastrous, the company will appeal to the railroad commission for such readjustments as will be fair under all conditions.

The reduction to be made will apply to all of the lines operated by the Louisville & Nashville Railroad Company for its own account in the state of Kentucky, with the exception of a few branches and new lines on which the passenger business is not now remunerative or is conducted at a loss.

The reduction will be made effective on lines which now are producing nine-tenths of the Company's total passenger earnings in the State of Kentucky; thus will affect nine-tenths of the Company's passenger business.

The reduction proposed in Kentucky will not apply on intrastate travel between points within the state, but will also apply on interstate traffic over the same lines and to from points within the state and through the state; also as similar reductions have been or are to be made on the principal lines of travel in the state of Tennessee and Alabama, the effect on interstate travel on the lines of the Louisville & Nashville Railroad Company will be to substantially establish a maximum fare of 2 1/2 cents per mile from the Ohio river to the Gulf of Mexico.

Some idea of the reductions to be made by the Company in its passenger fares may be had when it is understood that the reduction in Kentucky, Tennessee, and Alabama, will represent an annual reduction in passenger revenues of about \$900,000. In Kentucky alone, the annual reduction in revenues will amount to about \$130,000 on interstate traffic, and about \$250,000 on intrastate traffic, or to a total amount of about \$380,000.

## Acquitted in Washington Murder Case

After deliberating for ten minutes the jury in the case of the Commonwealth vs. Charles Hall, charged with murdering Elvin Anderson in Washington last June, acquitted the defendant. The trial lasted two days and was attended at every session of the court, at Springfield, by a large crowd. On June 5, 1913, Anderson was shot from ambush while he was at work in his tobacco patch. Hall, a young neighbor with whom Anderson had had previous trouble, was suspected and subsequently indicted. The evidence was altogether circumstantial for the Commonwealth, while the defendant produced direct evidence to establish an alibi. It was also shown that other neighbors of the dead man were not on friendly terms with him. Two hours to the side were allowed for argument and strong arguments were made by Marshall Duncan and W. C. McCord, for the defense and County Attorney, Joseph Polin and Commonwealth's Attorney C. S. Hill, for the Commonwealth.

## The Hutchinson Sale

The Hutchinson sale held in Garrard county, with Captain Am Bourne serving as auctioneer, drew an unusually large crowd and fairly good prices were realized, the following being representative of the ready bidding: Cows brought from \$53 to \$75; a pair of young 5-year-old mules sold for \$255; a pair of 2-year-old mules were sold, one bringing \$125, and the other \$100; 8 head of horses and mares were sold bringing prices ranging from \$60 to \$195; 40 head of hogs were sold at 8 per hundred; 23 yearling steers averaging 900 pounds per animal sold at \$27.50 per head; 3 bunches of sheep were sold, 20 ewes and 27 lambs, the ewes bringing \$7 per head with the lambs thrown in; Timothy hay sold at \$1.40 per bale; oats brought 1.25 per pound.

## Beckham Starts Speaking March 16

Former Governor J. C. W. Beckham last week announced that he would open his campaign for the Democratic nomination for the United States Senate, at Elizabethtown on Monday, March 16. It will be county court day at Elizabethtown, and a large crowd is expected from all over the Fourth district to hear his speech. Bardstown, Governor Beckham's old home is in the Fourth. He says that he will make a vigorous campaign until the time for the primary, and it is his present intention to make about two speeches a week, covering practically the entire state.

The former Governor will establish his headquarters in Frankfort, Governor Beckham and his supporters are confident that he will easily defeat Congressman A. O. Stanley and Governor McCreary for the nomination.

## MOTHER! IF CHILD'S TONGUE IS COATED

If Croup, Feverish, Constipated, Give "California Syrup of Figs"

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailments, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs", which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

## MISS MARY BRUCE NEW POSTMASTER HERE

Announcement From Washington That She Has Been Recommended By Congressman Helm

The daily papers printed a dispatch from Washington last week that the name of Miss Mary Bruce had been sent to the Senate by the president for appointment as postmistress of Stanford. This was the first official announcement of the selection of Miss Bruce for the local office for the next four years, but it had been expected for some time that Congressman Harvey Helm would recommend her and the appointment is in every way a popular one, notwithstanding the fact that there were a number of others who sought the privilege of handling Uncle Sam's business here.

The term of Postmaster J. C. Florence expires early this month but it is not yet known just when his successor will be sworn in nor who her assistant will be. Postmaster Florence has probably a longer record of service than any other postmaster in the state for the class of the office, as he is just rounding out his fourth term and has had an official life of sixteen years, during which he has proven himself an efficient officer in every way. He has not decided just yet whether he will go into business or farm, it is understood.

Stanford's new postmistress is one of the most popular young women in this part of the state and is in every way competent to perform the duties which she will assume. She is the daughter of that sterling democrat, Col. I. M. Bruce, and for a number of years has acted as secretary to Congressman Helm at his office here.

### HOUSE PASSES A NEW GENERAL TAXATION LAW (Continued from page one)

on the Kentucky Institution for the Blind.

Senator Williams moved to postpone indefinitely the measure of Senator Brock, saying he thought the measure against the farming interests of the State.

Senator Brock replied that he was not against the farming interests, but did not believe in extravagance expenditure of the State's money. Further, he said that he had been repeatedly informed that the appropriation of the State for the boys' corn club was too large, that the Commissioner of Agriculture had bought \$1,000 worth of stamps at the close of the year, when that money should have been covered into the State treasury.

The Senate last week passed the following bills:

Prohibiting the shipment of liquor into local option territory or having in possession liquor for sale in such territory. This bill has already passed the House and now goes to the governor.

Providing for putting into effect in 1915 instead of 1917, commission form of government in Counties containing Cities of the First Class.

Re-enacting the good roads law to make its provisions more effective and widen its scope.

Providing punishment for giving a check without having funds in bank to cover it.

Requiring graded schools to maintain High Schools and permitting them to extend or decrease their boundaries.

Representative J. M. Bitter, of Pike county, offered a resolution in the House providing for the appointment of a commission or two by the Governor to act with similar commissions from Virginia and West Virginia in

surveying and marking the boundary line between the Counties of Pike, in Kentucky, Mingo, in West Virginia, and Buchanan and Dickinson Counties in Virginia. The resolution recited that many residents of the four Counties do not know in what States they live on account of the confusion as to the boundary line.

When the good roads bill passed by the Senate last week came up in that House, Senator Montgomery offered an amendment largely re-enacting the road overseer law which was repealed by the House bill of 1912. Each able-bodied man might be required to work six days a year on the roads. Senator Hiles desired the bill amended requiring railroads and traction lines to put roads in good condition within six months when damaged or destroyed by the railroads in constructing the railroad lines. A fine of \$500 to \$1,000 was proposed for failure to comply with the law. Senator Knight offered an amendment providing transportation for County Road Engineers and members of the Fiscal Court in inspecting roads in Counties levying \$50,000 or more for road purposes. These amendments were adopted and the bill passed as stated in Friday's paper.

The Senate Committee on Appropriations reported the good roads bill passed by the House, providing a 5-cent tax levy for highways, without expression of opinion. Senator Huffaker, of Louisville, championed the bill. His district, he said, would pay more than any district in the State, probably \$50,000 annually, but he added it would be paid cheerfully. The bill went into the calendar.

The Senate last week passed by 21 to 11 the bill requiring graded schools to maintain high schools, and permit them to extend or decrease their boundaries. The bill provides means to abolish them to permit their boundaries to include parts of two counties; to allow consolidation with rural schools; to levy a tax not exceeding fifty cents; to require approval by the board and superintendent of petition for a graded district election. Several amendments perfecting the bill but not affecting its material provisions were adopted. Senator Antle, author of the bill, explained that it was designed to remedy a defect in school law as pointed out recently by the Court of Appeals. The bill will allow a levy that will be sufficient to maintain graded public schools in districts where it is necessary to apply it.

She leaves an only son, Robert Bout Fox to whom she gave her heart's love and devotion and a brother and only sister, Mrs. Alice Scott having died some years ago. The deceased had long been a faithful member of the Baptist church.

The trial of Robert L. Barker for the killing of his brother-in-law, John Eason, resulted in a verdict against the defendant for from two to twenty-one years in the penitentiary. The difficulty in the Buena Vista section, Barker's daughter made her home with her aunt, Eason's wife and the girl had a suitor objectionable to her father. Barker meeting Eason on the highway charged him with encouraging the young man to visit his daughter, notwithstanding both Barker and wife knew this was forbidden by Barker. An altercation ensued when Barker drew his weapon and fired on Eason with a fatal result.

### AREX Nerve and Body-Building Medicine

We believe AREX Olive Oil Emulsion is the best remedy for restoring the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired out, nervous and debilitated no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and, through the blood, into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking AREX Olive Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, puny children and all others who are weak, run-down or ailing, we offer AREX Olive Oil Emulsion with our personal promise, that if it doesn't make you well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it you will recommend it to your friends, and thank us for having recommended it to you. Sold only at the more than 7,000 AREX Stores, and in this town only by \$1.00 Penny's Drug Store, Stanford, Ky.

## When You Do Smoke Get the Most Out of It.

SMOKE cigars that have been kept uniformly moist, and properly handled.

Havana, Porto Rican and Domestic cigars should each be kept in a separate compartment so that the original flavor and aroma of each kind of tobacco is carefully preserved. That's one of the fine points in Cigar selling that most dealers overlook, but it's a sort of hobby with us.

# D. D. D. In Hospitals; Standard Skin Cure

How many hospital patients, suffering from the treatment of skin diseases, have been washed in by the standard skin cure?

That said in the famous D. D. D. prescription for eczema.

THE SUPERVISED RUBS OF one of our prominent hospital institutions (name of institution and hospital not applicable), writes regarding a patient.

"The disease had caused her eyebrows to grow, and she had become very nervous. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."

How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same ointment, changing fluid?

**Our Home Women Have Beautiful Hair**

Next time you go to the theater or to the "movies" just notice, if you please, how many of our home ladies have beautiful hair—lustrous, lustrous, and well-dressed. Then, if you will pick out five or ten of those who have hair that is particularly pretty and ask them what they use on it, we feel sure that at least more than half of them will say, "Harmony Hair Beautifier." It is fast becoming the rage with both men and women who are particular about the appearance of their hair.

Sprinkle a little "Harmony Hair Beautifier" on your hair each time before brushing it. It contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair, leaves no harshness or sickness—just a sweet cleanliness.

Both preparations come in odd shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50¢. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us, Penny's Drug Store, Stanford, Ky.

**We Have Faith in This Stomach Remedy**

A woman customer said to me the other day, "Say, you ought to tell everyone in town about Rexall Dyspeptic Tablets. I would myself if I could."

That sets us to thinking. So many people have used them and have so enthusiastically commended their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good.

It's Rexall Dyspeptic Tablets do not relieve your indigestion, check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25¢, 50¢, and \$1.00. Penny's Drug Store.

## WHAT \$10 DID FOR THIS WOMAN

**The Price She Paid for Lydia E. Pinkham's Vegetable Compound Which Brought Good Health.**

Danville, Va.—"I have only spent ten dollars on your medicine and I feel so much better than I did when the doctor was treating me. I don't suffer any bearing down pains at all now and I sleep well. I cannot say enough for Lydia E. Pinkham's Vegetable Compound and Liver Pills as they have done so much for me. I am enjoying good health now and owe it all to your remedies. I take pleasure in telling my friends and neighbors about them."—Mrs. MATTIE HALEY, 501 Colquhoun Street, Danville, Va.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

**A CONFESSION**

dopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Edna Mae Reid, of this place, "that I feel the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a red, sleepy feeling all the time, and was regular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely stopped spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ailments to your sex, it is going to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically in the womanly constitution, and help to build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for "Cardui" and you will receive a full and complete "Cardui" for Women, sent in plain wrapper, No. 125.

**Retired Georgia Planter's Advice To Kidney Sufferers**

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more, with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to commend Swamp-Root to those who are in need of it. Sincerely yours,

C. E. USSERY, Browsersville, Ga.

Personally appeared before me, this 8th day of September, 1909, C. E. USSERY, who subscribed the above statement and made oath that the same is true in substance and in fact.

T. H. McLANE, Notary Public.

**Letter to Dr. Kilmer & Co., Binghamton, N. Y.**

Prove What Swamp-Root Will Do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Interior Journal. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Everybody goes to the opera house.
